Stripping Out Photographic Appendices

In connection with Clymping Mill

Mill Cottage

1.00 Living Room

Photograph 1.01 Existing rafters taken down de-frassed and reinstated strengthened with sarking board and coach bolted purlins to Structural Engineers Details. High level collars still to be installed including formation of notching out to existing rafters to accommodate the new timber connection which is to be timber dowelled.

Photograph 1.02 Existing window opening boarded over, internal plastered finishes retained

2.00 Lean-to Outside Store

Photograph 2.01 Former opening between Living Room and lean-to infilled with blockwork. The masonry walls show a plastered finish.

Photograph 2.02 The original floor has been replaced with a cementitious screed as part of a previous renovation and the inner wall finish is fair-faced brickwork and timber inserts.
