Dear Sir/Madam,

**Town & Country Planning Act 1990 (as amended)**  
**Town & Country Planning (Development Management Procedure) (England) Order 2015**

Application No: CM/45/24/HH  
Site Address: 2 Rose Cottages Climping Street Climping BN17 5RH  
Description of works: Part single, part two storey side and single storey rear extensions. Creation of a drive following demolition of existing extensions.

Thank you for your internet representation made on 2nd January 2025 which has been recorded as an objection with the comments as follows:

OWPC73265

I own the adjoining semi-detached property 1 Rose Cottages. We built into the space at the rear of property and agreed a party wall with 2 Rose Cottages. Please may I see plans on how the proposed flat roof extension will join to my property as I have the following concerns:

1. what is the height of the proposed flat roof extension and how will it join to the pitch roof on my property. Will the height be underneath the eaves or the same level?
2. if higher how will water drain from the proposed flat roof?
3. There are waste pipes on the rear of 2 Rose Cottages that join with 1 Rose Cottages. How will they be incorporated into the proposed new extension
3. There is a joint sewer pipe that runs behind my property close to the boundary wall. We could not build close to the boundary wall so as not to build over this. Does the proposed flat roof extension build over the sewer pipe in 2 Rose Cottages?

I will take the contact information from this planning application to also submit these queries to the architect. I have not been contacted regarding a party wall agreement and I would like my concerns addressed and this agreed before the planning application goes further.

Your views as made above will be considered before the application is determined.
