Dear Ms Malik

Thank you for your response to my planning application.

I have now got an architect involved to supply the documents as per your request which should be supplied in the next couple of days.

You also stated;

'The dates listed on the application form are too old. Please update the relevant certificate and declaration on your application forms with a more recent date or with your permission we can amend these for you'

I'm not sure what this is referring to exactly so please go ahead and amend these on my behalf.

Also can you please confirm the timelines here as I was not aware of the cut off date? Are you saying that if I don't submit the requested documents by 13 Nov, I will have to re apply and forfeit the fee I have already paid? Surely that can't be the case? Please clarify urgently as I am not sure I can get things together in such a short space of time.

I assume that I simply upload the new documents via the planning portal when they are ready?

Kind regards

James
