Colin

Would you be able to forward my note Anita please, we are struggling to get to get the tile that have been approved for the site with a 20 week lead in time from placement of order, we would like to substitute the tile for a Terreal volnay interlocking clay tile grey, which same colour as approved by Anita, we have a sample here in the office and it is difficult to see any difference in the appearance, we are happy to drop this to ADC office.

Many Thanks

Mike
