Dear Sir/Madam,

The Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 6

Application No: CM/48/21/RES
Site Address: Land to the West of Church Lane South of Horsemere Green Lane Climping
Description of works: Approval of reserved matters following the grant of CM/1/17/OUT for the erection of 300 No dwellings & a building within use class E, together with public open space, LAPs, LEAP & ancillary works, including car parking & drainage arrangements, with access off Church Lane & Horsemere Green Lane. This application may affect the setting of listed buildings & is in CIL Zone 4 (HSP2) & is not CIL Liable.

Thank you for your internet representation made on 4th October 2021 which has been recorded as no objection with the comments as follows:

OWPC40860

Firstly I have a concern regarding Horsemere Green Lane being used as an access road for vehicles coming to the site whilst work is being carried out and wonder how much disruption this will cause along the road. Secondly concerning the affordable homes I cannot clearly see on the plans where they are and hope they will be discreet and not all grouped together. Also that the building materials used for the houses varies and not all built the same as this is not in character with the area. I'd like to see lots of boxes and bird boxes to look after the abundant wildlife in this area and also hedgehog runways cut into the fences which is now law. Finally if tree planting is being carried out along the boundary onto the existing estate please may the trees used be such as silver birch so they don't place too much shadow onto the south facing gardens that already exist.

Warm Regards

Amanda
