Dear Sir/Madam,

Description of works: Approval of reserved matters following the grant of CM/1/17/OUT for the erection of 300 No dwellings & a building within use class E, together with public open space, LAPs, LEAP & ancillary works, including car parking & drainage arrangements, with access off Church Lane & Horsemere Green Lane. This application may affect the setting of listed buildings & is in CIL Zone 4 (HSP2) & is not CIL Liable.

Thank you for your internet representation made on 7th October 2021 which has been recorded as an objection with the comments as follows:

OWPC41050

The developer should be required to make a funding contribution towards services and/or infrastructure that most benefits Climping itself, not flowing to neighbouring areas such as Littlehampton and Ford. As the character of Climping will be dramatically altered by the proposed development, it seems only appropriate that the developer should be required to contribute to the 'new Climping' that it is creating. Examples could include 1) improving footpaths along Horsemere Green Lane and Church Lane; 2) improving the safety of the road junction at Horsemere Green Lane and Church Lane, which is a very dangerous junction and there are currently no plans to improve it; 3) improvements at the local school, St Mary's CE Primary School; 4) providing decent footpaths to the local school 4) contributing towards a new doctor's or dentist's surgery.

Your views as made above will be considered before the application is determined.
