Dear Sir/Madam,

The Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 6

Application No: CM/48/21/RES
Site Address: Land to the West of Church Lane South of Horsemere Green Lane Climping
Description of works: Approval of reserved matters following the grant of CM/1/17/OUT for the erection of 300 No dwellings & a building within use class E, together with public open space, LAPs, LEAP & ancillary works, including car parking & drainage arrangements, with access off Church Lane & Horsemere Green Lane. This application may affect the setting of listed buildings & is in CIL Zone 4 (HSP2) & is not CIL Liable.

Thank you for your internet representation made on 9th October 2021 which has been recorded as an objection with the comments as follows:

OWPC41089

Whilst there are many objections that could and should be made regarding this application, all are somewhat irrelevant now as our Prime Minister has clearly stated that homes should not be built on green field sites and not just jammed into the South East.

Whilst I am sure you are very aware of his comments, for clarity, I quote,

"You can also see how much room there is to build the homes that young families need in this country not on green fields, not just jammed in the South East, but beautiful homes on brownfield sites in places where homes make sense."

I trust this application will now be rejected following the pledge made by the leader of our country?

Your views as made above will be considered before the application is determined.
