Dear Sir/Madam,

**The Town & Country Planning Act 1990 (as amended)**  
**Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 6**

Application No: CM/48/21/RES  
Site Address: Land to the West of Church Lane South of Horsemere Green Lane Climping  
Description of works: Approval of reserved matters following the grant of CM/1/17/OUT for the erection of 300 No dwellings & a building within use class E, together with public open space, LAPs, LEAP & ancillary works, including car parking & drainage arrangements, with access off Church Lane & Horsemere Green Lane. This application may affect the setting of listed buildings & is in CIL Zone 4 (HSP2) & is not CIL Liable.

Thank you for your internet representation made on 25th June 2022 which has been recorded as an objection with the comments as follows:

OWPC48438

I put forward an objection of the light in front of plot 176 which points towards the houses on May Close Climping. I had commented before that no street lighting to point towards the existing properties. We do not have light pollution at the moment and i for one do not want a street light glaring at my property. All the other street lights face the proposed new builds so please have this one removed or changed to the same as the others.

Your views as made above will be considered before the application is determined.
