Thank you for your internet representation made on 18th November 2023 which has been recorded as an objection with the comments as follows:

OWPC63170

I strongly object for the main and obvious reasons the fields around Horsemere Green are actually helping and providing a water defence and saving the surrounding areas from flooding with all the rain we are having and it is going to get far worse of the years Horsemere Lane cannot cope with more traffic its a country lane .please I hope this time round the council will really think seriously before granting permission.and the impact it will have on all the houses and roads.looking into the future I can see lots of problems coming out of this if it goes ahead mostly with flooding and traffic.
