Thank you for your internet representation made on 21st November 2023 which has been recorded as an objection with the comments as follows:

OWPC63258

Clymping Parish Council strongly objects to this application for the following reasons:

- There are no significant changes with the provision of recreational facilities remains inadequate given the size of the development.
- The Community Buildings as included are empty shells rather than functional designs, lacking even basic essential facilities. More work is needed to define the use in relation to the existing Church Hall and Village Hall and the fit with regards to the community facilities being developed for the Clymping Ford and Yapton strategic sites as a whole. The economic viability of these buildings is uncertain at the moment.

Your views as made above will be considered before the application is determined.
