Hello Anita.

Is the plan I Attach the one to which you refer? If so the blue hatched area is the pet shop, and the red lined area is for 'garden goods' as is existing.

Kind regards

Dear Mr Seise,

I refer to the above application and would appreciate clarification of the following:

-The submitted plan indicates a blue hatched area and a red edged area. I assume the hatched area is the area that is proposed to remain as farm shop use and the red edged area is that proposed to be used as a pet shop and for aquatic sales. Please confirm

- Please advise of the precise use of the part of the current farm shop which relates to this application. The details on the application form relate to the site as a whole and not specifically the part of the site included in the proposal.

Regards
