6th March 2019

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Construction of a crematorium comprising of a crematorium building & associated structures, car parking, access & landscaped spaces. This application is a Departure from the Development Plan.

Land south of the A259 Grevatt's Lane Climping

Thank you for your internet comments made on 5th March 2019 which has been recorded as **'an objection'** with the comments as follows:

Council objects to this application for the following reasons:

- 1. The proposed development is within the Gap between Settlements, Littlehampton to Middleton*
- 2. The proposed development is in open countryside .*
- 3. There will be an unacceptable impact on the local highways infrastructure. The A259 is already overloaded with long tailbacks at peak times and this development will further increase traffic movements and exacerbate the problem. The junction onto the A259 from the site will be busy creating an additional hazard and also adversely affect traffic flows.*

Council notes that there is a pending application for a crematorium on a nearby site and feels strongly that both applications should be considered by the Arun Development Control Committee at the same time

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

A handwritten signature in black ink, consisting of stylized initials 'NC' followed by a small dot.

Neil Crowther
Group Head of Planning
