Dear Anita

Please see attached as requested by your email of the 2nd of July an updated Alternative Sites Report which includes within it mention of the proposed crematorium site in Yapton. As that site is in direct conflict with planning policy it is discounted on that basis. If you have any queries please let me know. I have also updated the Design and Access Statement where needed and an updated copy of that is attached also.

If you have any queries please let me know.

Kind regards
