Dear Anita

We are disappointed to note the change of recommendation in relation to this planning application. We are currently considering the position in respect of your suggested reasons for refusal nos.2 and 3 and I expect to be in touch in relation to those next week. In the meantime however, and in respect of the soil grading matter please see the attached two reports that in combination should address suggested reason for refusal no.1.

Regards

Matt Holmes BA (Hons) MA MRTPI
