Dear Sir/Madam,

**Town & Country Planning Act 1990 (as amended)**  
**Town and Country Planning (Development Management Procedure) (England) Order 2015**

Application No: CM/4/25/PL  
Site Address: Land to the West of Crookthorn Bryre Climping BN17 5QU  
Description of works: Erection of 1 No. two storey dwelling (self build) (resubmission following CM/15/24/PL). This application affects the setting of listed buildings, is a Departure from the Development Plan and is in CIL Zone 5 and is CIL Liable as a new dwelling.

Thank you for your internet representation made on 6th March 2025 which has been recorded as an objection with the comments as follows:

OWPC74710

I wish to object to the proposed New build on the grounds that

1 It will be totally out of place set in a cluster of Attractive Grade 2 listed properties the owners of which have adhered to all required planning stipulations to maintain the character of the area.

2 This is a complete New build directly facing on to a property with Grade 2 listing affecting their view .

3 There is a covenant restricting building unless in the footprint of an existing property which totally prevents any New build potential so this is contrary to the existing covenant and is also likely to set a precedent for more building in a sensitive area that is backing on to land that forms part of the migratory route putting that in peril. We are very close to a site of Special Scientific Interest .

4 I understand the land has agricultural status and this would be a departure from a (previously) wooded area

5 I would welcome the idea of making this a conservation area before it is lost

Your views as made above will be considered before the application is determined.
