Dear Brad,

The wording of condition 7 refers to the artificial Laurel plant netting which is the same wording as was in your email of 23/09/21 *"we have painted it leaf green and then built a timber frame around it which has also been painted leaf green whilst finishing it off with artificial Laurel plants wrapped around."*

So yes it has been included.

Simon.

Hi Simon

We've just received the approval letter for all 3 conditions which is fantastic news and we really appreciate all your help with getting this through.

The letter doesn't mention the camouflaging of the extraction but does approve the extraction itself.

Can I confirm that it's included within that approval and that we're all good to open please?

Cheers
Brad

Dear Brad,

As of last Thursday, the decision is with my team leader for sign-off. I am unsure of when the decision will go out.

Morning Simon

I know it's early but I'm starting my day on a positive.

Is it looking likely for a YES today with regards to us getting open?

Appreciate your help

Brad
