Thank you for your internet representation made on 18th January 2021 which has been recorded as an objection with the comments as follows:

OWPC33007

I cannot believe this ridiculous proposed plan is being considered, 4 large 2 storey houses overlooking bungalows. The plans don't give a true perspective on how close these houses will be to our property, the upper stories will be looking directly into our main & only living area plus into our bedrooms/en-suite. We have already lost the light in our dining area due to the council allowing an extension on our neighbours property which is less than a metre away in places, if this gets the go ahead, we will have to have our blinds partially down which will then shut out the light to our lounge area which in turn will have a detrimental effect on our well being & how we live. Furthermore, this will have a massive impact on the future sell ability & value of our property. This is our retirement bungalow which we wouldn't have even considered if these proposed properties were already there.

Your views as made above will be considered before the application is determined.
