Subject: RE: Planning Consultation on: CM/53/20/PL

Response to Planning Application

From: Arun District Council Greenspace

Date: 28 January 2021

Application ref: CM/53/20/PL

Description: Development of 2 No 2-bed & 2 No 3-bed detached dwellings & associated works. This site is in CIL Zone 3 and is CIL Liable as new dwellings.

Location: Land at Wren Cottage Horsemere Green Lane Climping BN17 5QZ

Determining Authority: Arun DC

Summary recommendation: Recommend **no landscape objection** subject to the submission of detailed landscape scheme.

Comments

Relevant landscape designations:

The site is presently an open green setting within a semi-rural area of existing residential dwellings.

There are no physical, visual, historical or cultural links, protected landscapes, scheduled ancient monuments, listed buildings, conservation area or Historic Parks or Gardens associated with this site.

Response

The proposed site sits within an already established residential area with established but not protected green infrastructure. There would be no effect on the street scene as access to this proposed site is via a narrow lane off Horsemere Green Lane.

This is a CIL liable site.

There would be no requirement or trigger for the provision of Public Open Space or Play on site with this development, but CIL monies should be sought for recreation and leisure facilities as detailed in our SPD Open Space, Playing Pitches, Indoor and Built Facilities January 2020

The NPPF para 124/127 relate to good design principles. The indicative location plan has suggested the retention of existing vegetation and inclusion of new landscaping to this development which would be required to be submitted and approved. The inclusion on new landscaping for these proposals should be in consideration of greening and screening and should also consider the biodiversity net gain requirements to be achieved with this development.

Impact

The potential impact of the proposals could be blended into the surrounding environment with further thought given to the landscape offer and greening to counteract this. Screening to adjacent properties will need to be considered because of their proximity and stature in relation to the proposals.

Mitigation/requirements

Further landscape provision to the roadway and accessible areas and incorporation of screening to adjacent properties with the incorporation of planted areas for trees and shrubs. The green boundary treatment to include tree species. All areas should be considered and their connection for biodiversity and habitat explored. Trees specified should be at a size which allow instant impact, but which will establish and mature as the site develops.

Recommendation/Conclusion

I would recommend **no landscape objection** subject to the submission of a detailed landscape scheme. Landscape detail to be submitted in plan form to show existing to be retained and new planting detailing species choice, actual quantities, planting densities and size at time of planting.

This application has been identified as CIL Liable. Therefore please be aware that, in accordance with Appendix 2 of the Arun CIL Charging Schedule, your consultation response should only include requests for Section 106 for onsite mitigation, Pagham Harbour Management Contributions (if applicable) or Affordable Housing. Off Site mitigation measures directly related to this development should be dealt with by condition if possible to ensure the scaling back of Section 106 if possible. CIL contributions will be used for off site infrastructure mitigation schemes. Therefore if this proposal triggers the need for off site mitigation, please ensure that you engage in the CIL Infrastructure List Consultation process upon receipt of a consultation letter.

Should you have any comments to make, these should be sent by replying to this email by 28th January 2021 . You can also monitor the progress of this application through the Council web site:

www.arun.gov.uk/planning.

The application will be determined having regard to the development plan policies (if any are relevant) and other material considerations. The development plan can be accessed via the website <https://www.arun.gov.uk/development-plan> as can the the leaflet how to respond to planning applications <https://www.arun.gov.uk/planning-application-comments> which deals with material planning considerations.
