Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: CM/53/20/PL
Site Address: Land at Wren Cottage Horsemere Green Lane Climping BN17 5QZ
Description of works: Development of 2 No 2-bed & 2 No 3-bed detached dwellings & associated works.
This site is in CIL Zone 3 and is CIL Liable as new dwellings.

Thank you for your internet representation made on 4th February 2021 which has been recorded as an objection with the comments as follows:

OWPC33512

This application appears to be using a new road for the development at the rear of my property. They also appear to be using the same site. This begs the question as to why this planning was not included at the same time?

I moved in to a small village with a parish council and it has been turned into a building site clearing wildlife. There are reptiles, bats, owls and hedgehogs being killed. Still no one cares.

All of the feasibility studies on the previous application on traffic usage, pollution, environmental damage and such are now proven worthless.

I not only have 9 houses that will be shining headlights directly into my living room, but now more that will be staring directly into my bedroom. I am already having to keep curtains closed all day for privacy from builders.

I also note 300 houses being built within 1/4 mile, we need more?

Please respect the wildlife, the resident's privacy and stop this pocket filing scam.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments including your name and address on the website. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Development Control Committee.
