Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: CM/53/20/PL
Site Address: Land at Wren Cottage Horsemere Green Lane Climping BN17 5QZ
Description of works: Development of 2 No 2-bed & 2 No 3-bed detached dwellings & associated works.
This site is in CIL Zone 3 and is CIL Liable as new dwellings.

Thank you for your internet representation made on 4th February 2021 which has been recorded as an objection with the comments as follows:

OWPC33521

This is another case over overdevelopment. Horsemere Green Lane has been subject to many until applications all of which have been approved and all of which have resulted in gross overdevelopment. For goodness sake stop allowing this. Climping is a magnet for rip off development and it is time ADC Officers and Councillors stop the rot. If schemes are allowed on appeal the council must impose planning conditions that will be off putting to these greedy developers...eg make them pay for better local amenities like pavements, better roads, safer junctions. I strongly object to this application as an over development of the site akin to planning creep.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments including your name and address on the website. Please make sure that you have only provided information that you are happy will be published in this way. representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Development Control Committee.
