

21st January 2020

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Erection & operation of concrete batching plant to include distribution of concrete from the facility.

Unit H6 Rudford Industrial Estate Ford Road Ford

Thank you for your internet representation made on 21st January 2020 which has been recorded as '**an objection**' with the comments as follows:

I thought I'd seen this somewhere before....Haven't Arun already approved a concrete batching plant at Northwood Farm? CM/6/18/PL. Is there a need for another concrete plant? Or does the Council just put anything anywhere?? This must surely increase noise, dirt and traffic movements in the area. Interestingly the previous application from KRM Concrete Ltd stated in the Officers Report that "The applicant has submitted a review of all of the existing industrial sites and has demonstrated that there are no suitable sites within Rudford. This estate would meet the needs of this business." Same Case Officer too. Do NOT approve another concrete batching plant, surely one in the area is enough?? Have one or the other, BUT NOT BOTH.

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only include information that you are happy for the public to view. Do not include personal information or information from third parties unless you have their permission to do so. If a complaint is received that permission has not been given for comments included about a third party, the Council reserves the right to redact/remove all relevant information. Do not include information that is defamatory or breaches equality or other legislation. If you do not wish your comments to appear on the website and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this does mean that its contents will be disregarded. In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no

further opportunity to comment at the appeal stage.

Yours faithfully
