Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Erection & operation of concrete batching plant to include distribution of concrete from the facility.

Unit H6 Rudford Industrial Estate Ford Road Ford

Thank you for your internet representation made on 31st January 2020 which has been recorded as '**an objection**' with the comments as follows:

This is contrary to the ADC countryside policy C SP1 as it is outside the built boundary. It will be very close to residential properties, important listed buildings and a ancient monument. It fails to include an assessment of very heavy traffic impact as required in policy CPN14. There is NO estimate of how many HGV vehicle will be coming onto Church Lane and A259.

Increase of very load noise from increasing HGV movement and the operations especially AS WE ALREADY HAVE TERRIBLE NOISE FROM RUDFORD. Potential dust pollution both my grandchildren have breathing difficulties NO NEED for a SECOND PLANT. I assume no ADC council leers who kept approving all these insane applications for Climping actual live in or around Climping so have no idea how congested the village is turning into.

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking.
