Dear Anita

I trust you are well.

You may recall that I was the agent working for KRM on their application for a concrete batching operation at Northwood Farm (CM/6/18/PL).

I have been made aware about a planning application for a concrete batching plant at Unit H6 Rudford Industrial Estate. I note your request to the applicant to provide information on the need for this development. The applicant's agent has responded and set out their understanding of the position with regards to our planning permission CM/6/18/PL.

I thought it would be useful to provide you with an update on this.

It is correct that Aggregate Industries acquired KRM. This is part of the reason why there has been a delay implementing the consent. I can confirm that Aggregate Industries is fully committed to deliver the concrete batching facility at this site. Works to progress the implementation of this consent are underway and I have been instructed on those matters.

If you require anything else, please let me know.

Kind regards

Alison
