Hi Nicky,
The survey was carried out on Friday and the report expected within 2 weeks.
Sorry for the delay.
Best regards
Philip

Sir/Madam,

Please find attached a complete set of fresh drawings answering your queries, and please discard the original drawings uploaded with my application.

The Biodiversity Survey and Report will follow as soon as I have commissioned and received it. This will take longer than the 14th October deadline you have stated, so please can you give me until the end of October.

With thanks

Kind regards

Philip Wagner
