22nd April 2014

Dear Sir/Madam

Town & Country Planning (Control of Advertisement) (England) Regulations 2007 (as amended)

2 No non illuminated free standing notice boards.

Clymping Parish Church, Church Lane and Junction of Horsemere Green Lane and
Wooldridge Walk, Climping

Thank you for your internet representation made on 22nd April 2014 which has been recorded as '**an objection**' with the comments as follows:

*I have studied the plans, the original consultation, of which I have copies, and forwarded to planning (which prompted the application), shows that the sign should have been placed on the east side of Wooldridge walk outside of Mr Shears house, this sign has already been placed outside of our house on the grass verge owned by WSCC. This sign is in such a position that people are gathering outside of our property to read the sign, this means that they can see directly into our kitchen, dining room and bedroom which face the sign. People are also gathering and their dogs are using the grass as a toilet, this is not being cleaned up despite a dog bin on the footpath opposite. The grass on the verge has been maintained by our neighbour and ourselves at our expense as the council have never mowed it the entire time the houses have been there. This will no longer be maintained at our expense and I can see it becoming a jungle.
AS stated the signs have already been erected without permission and in the wrong place as advertised in the consultation. They also infringe on our privacy as people are staring into our property.*

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go to the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning

permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Karl Roberts
Assistant Director Planning & Economic Regeneration
