Dear Mr James,

Can you please confirm whether yellow notices have been posted along Horsemere Green Lane and all the roads running off Horsemere Green Lane advising people of this planning application? Also, given that the application was posted not long before Xmas, and the Xmas holiday saw many people and businesses unavailable and on holiday till the 2nd January (including Arun District Council) , I think the deadline to review this planning application should be extended. 5th February does not give people enough time to consider it (especially if they have not yet been made aware of it).

With regards
