Hi Alex,

Given that we are likely going to have to Committee on this, can you agree to an extension of time until 11 March 2020 please?

Obviously if no objection is received from the Parish Council then we will be able to proceed with determination just after 20 February 2020; subject to all satisfactory comments being received from Consultees. I have contacted the Parish Clerk this morning to request when we can expect to receive comments back from the Parish on this item. Their website is unclear as to when the Parish will next be meeting to discuss Planning matters.

I will keep you posted as matters progress.

Kindest regards,
