

Hi Planning Responses,

Could the above attached plans be uploaded to the above application file please?

Kindest regards,

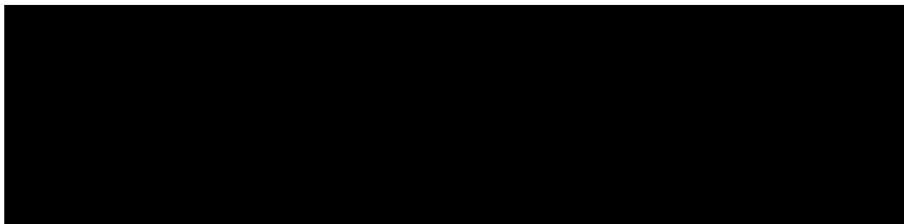

James,

Hopefully self-explanatory.

I have also seen an unendorsed copy of the highways agreement this morning that has been shared with Kirstin. This may well be in place by committee.

Alex

Hello Alex

Please find attached elevations and plans of the amended plot 8 (type F) with the corrected plot number on the elevation drawing. I have not given this a revision as it is probably simpler to just substitute drawing at this stage than get all the numbers changed etc.

I also enclose a revised street scene, which has been given a revision (c ) as there is a more substantial change to both street scenes C and D.

For good measure I also attach the plot 9 (type E) again so that you know you have the current drawing.

I hope that does clarify things for James.

Kind regards

*Colin*
