Dear Mr Sargent,

Please see the e-mail below from the Environment Agency. Do you have a revised FRA you can submit? Can you let me know if/when additional information will be submitted or the application may be refused at the end of the advertising period?

Morning

I am afraid we have an issue with this application as it stands. The FRA that has been submitted has not been updated to take into account the changes we highlighted in our informal charged advice we supplied the applicant with.

As it stands the FRA is the same as the previous application and therefore we would object to this proposal. Is it possible to have confirmation if a new FRA has been produced that reflects the changes we highlighted.

Thanks

Suz
