Subject: CM/6/20/PL

Hello

Council realises that this application has already been approved, but would like to make the following clarification on the wording of its initial objection to make it historically correct. It should have read:

No objection subject to the Arun conservation officer having no objection and there being no impact on the historic Village Pound in Climping Street that bears the plaque commemorating that Climping is mentioned in the Domesday Book.

I would be grateful if this could be uploaded against CM/6/20/PL

Regards

Val
