Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: CM/6/26/PL
Site Address: Caravan Storage Land Church Farm Barn Horsemere Green Lane Climping BN17 5QX
Description of works: Change of use of land for Class B8 (storage) for caravans as an extension to an existing storage site in conjunction with a revision to the site layout approved CM/14/22/PL. This application may affect the setting of listed buildings and a Public Right of Way and is in CIL Zone 4 (Zero Rated) as other development.

Thank you for your internet representation made on 8th June 2026 which has been recorded as an objection with the comments as follows:

OWPC83943

We object to the application for the change of use of land for Class B8 caravan storage as an extension to the existing storage site.

Increased volume of traffic upon an already over-used country lane is of extreme concern. Church Lane and Horsemere Green Lane were not built and designed to cope with heavy traffic. It is so very sad that so many traffic accidents have happened at the junction of Horsemere Green Lane and Church Lane. Additional car/caravan movement would increase the risk of accidents.

We are also concerned that there is a proposal to re-route public footpath FP175.

Caravan storage cannot be considered an asset to Climping Village.

Therefore we object.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments including your name and address on the website. The website is updated once a day in the evening so it may take up to 24 hours for it appear on there. Please make sure that you have only provided information that you are happy will be published in this way. If you have supplied information belonging to a third party, you must make sure you have their permission to do so. If you do not wish your comments to appear on the website or
