Dear Sir/Madam,

**Town & Country Planning Act 1990 (as amended)**  
**Town and Country Planning (Development Management Procedure) (England) Order 2015**

Application No: CM/6/26/PL  
Site Address: Caravan Storage Land Church Farm Barn Horsemere Green Lane Climping BN17 5QX  
Description of works: Change of use of land for Class B8 (storage) for caravans as an extension to an existing storage site in conjunction with a revision to the site layout approved CM/14/22/PL. This application may affect the setting of listed buildings and a Public Right of Way and is in CIL Zone 4 (Zero Rated) as other development.

Thank you for your internet representation made on 9th June 2026 which has been recorded as an objection with the comments as follows:

It was my understanding the original planning was for 46 caravan/motor home storage. The construction of the site from the out set was storage for double that amount. Which in turn has an impact on the amount of large vehicles using the lane to access. The construction of the site was very noisy and dirty. The impact on my house at the time of construction worrying. As the materials used were thumped down causing vibrations throughout the house. So I hope that this site will not be allowed to be made even larger. Its disappointing in the council that they give planning permission for a development of a certain size then appear not to check that this is followed. Where as the site is not noisy now the caravans are there its not very pleasant to look at.

Your views as made above will be considered before the application is determined.
