Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: CM/70/21/PL
Site Address: Land at Wren Cottage Horsemere Green Lane Climping BN17 5QZ
Description of works: Subdivision of the plot and construction of 3 detached bungalows with associated parking, access and landscaping (resubmission of CM/17/21/PL). This application is in CIL Zone 3 and is CIL Liable as new dwellings.

Thank you for your internet representation made on 8th December 2021 which has been recorded as an objection with the comments as follows:

OWPC42489

On looking at these revised plans it seems clear that the planned area for this development has not changed from the previous plans except that they have been changed from two storey dwellings to single storey dwellings bearing in mind that a three bedroom bungalow will require a greater minimum garden size (about 60-70 sq ft) to accommodate 3 bedrooms.

Therefore in my view as the proposed plans stand, the back to back proposed plan would not ensure standard requirements

for the development or a layout and design that provides standards of privacy and outlook for both existing and proposed residents. Our previous discussions on site with Neil Crowther (prior to planning refusal) he confirmed that the size of the proposed plots did not meet the standard building requirements and feel these have not changed therefore 2 bedroom dwellings rather than 3 bedroom would be more in keeping with the plot size.

We probably will lose the privacy of our garden space and any outside activities in our garden might be under threat by inadequate garden space by a proposed cramped back to back development. Also I would like to mention that any potential extension or any outbuilding (for example garden office or conservatory) if considered would bring the whole development even closer to my property.

Therefore, in summing up please consider all my above comments regarding the back to back measurements and privacy and give some thought at this planning stage to avoid future possible problems.

Your views as made above will be considered before the application is determined.
