Dear Sir/Madam,

**Town & Country Planning Act 1990 (as amended)**  
**Town and Country Planning (Development Management Procedure) (England) Order 2015**

Application No: CM/70/21/PL  
Site Address: Land at Wren Cottage Horsemere Green Lane Climping BN17 5QZ  
Description of works: Subdivision of the plot and construction of 3 detached bungalows with associated parking, access and landscaping (resubmission of CM/17/21/PL). This application is in CIL Zone 3 and is CIL Liable as new dwellings.

Thank you for your internet representation made on 12th December 2021 which has been recorded as an objection with the comments as follows:

OWPC42550

Having perused the resubmitted plans for wren Cottage , our objections are as follows:  
Plot no 3 is still too close to our property as spelt out in the previous refusal, the plans are showing a garden of 10.653 metres but in reality it is only approx 8 metres, the reason being the measurements on the official land registry when we purchased our property to the boundary line as confirmed as being 10 metres, the fact that we have an in-garden fence which was erected in front of our conifers was purely for aesthetics and ease of maintenance .So their measurements do not show a true boundary perimeter which we will be confirming with Lizard Landscape Design to clarify where they obtained their measurements, and the fact that the conifers were planted within our boundary by the previous owner of this property and are nothing to do with Wren Cottage. By looking at photo no 4 on the Lizard Landscape report iyou will see it shows a definite boundary fence with the conifers on the Wooldridge Walk side of the fence, unfortunately over time the fence has been removed and this is obviously where the confusion lies. To round off this objection surely anyone can see the garden of plot no 3 is too small for what is being proposed .

Your views as made above will be considered before the application is determined.
