Good Afternoon,

Upon looking at these plans once more I notice that one of the main things that disturb us is the intention of removing hedgerow on this proposed plot. Can you make it more clear which hedgerow are the developers intending to remove as all four of us owners of the bungalows in Wooldridge Walk (no's 4-5-6-& 7) directly behind this new proposed development are very concerned that they are not referring to our Conniver hedges which are our hedges showing where the boundaries are in relationship to Wren Cottage Plot.

Please confirm your findings and reassure us that we are reading these plans incorrectly.

Kind regards

Jean Taylor (no 5 Wooldridge Walk)
