Subject: Mistletoe Farm Horsemere Green Lane Climping BN17 5QZ - CM/72/21/DOC

Planning Application Reference: CM/72/21/DOC

Proposal: Approval of details reserved by condition imposed under CM/18/21/PL relating to conditions 5-Biodiversity Enhancement plan, 7-covered and secure cycle storage, 8-electric vehicle charging space(s), 9-Energy Statement, 10-surface water drainage, 11-Arboricultural Assessment & 12-Construction Management Plan.

Location: Mistletoe Farm Horsemere Green Lane Climping BN17 5QZ

Dear Anita,

Construction Management Plan

Having reviewed the document entitled 'Proposed Construction Plan' I find the report to be compliant with the requirements of the condition, I therefore recommend the condition can be discharged.

Electric Vehicle Charging Point

Having reviewed the document entitled 'Wallpod:EV | Free to use | Type 2, Mode 3 Charging Socket 3.6kW or 7.2kW'. I note the product codes to include EVWP 2010, EVWP 2016, EVWP 2020, EVWP2026. These models do not appear on the governments database of electric vehicle home charge scheme approved model list. As the model does not appear on the home charge list this indicates the proposed model is more suited to commercial applications. I therefore request the applicant provides a model which appears on the government database of electric vehicle home charge scheme approved model list.

Sincerely, Craig

Craig Milligan
