Dear Daun,
Thankyou for your letter received today, validation for CM/7/17/PL

CM/1/08
CM/4/11

Please find scanned copy of the Building Inspectors site sheet from JHA1 dated 09/05/2014 Confirming that the works for CM/4/11 have commenced and been implemented.

Tim Murray signed on behalf of JHA1

P. Grace also signed

I have seen this document on ocella web, but cannot now find it. I think it might be in a building control file rather than a planning application file ?

I am happy to come down to your offices to have a look.

Regards the date missing on Certificate B I don't know what Certificate B is, so I will give you a call in the morning to find out,

Kind regards,
Alison Baird
