Subject: CM/7/18/PL

Dear Planning,

The proposals will require a Camping Site Licence issued under the Public Health Act 1936. Licences are issued with conditions that are appropriate for the site concerned and will cover issues such as the layout of the site, safety, noise, lighting and the provision of facilities such as toilets and washing facilities

Provided the number of pitches does not exceed 60 I have no comments regarding the application as any Environmental Health concerns can be dealt with through other legislation.

Kind regards,
Colin Giddings
