Liked: Me and 2 friends had a really great weekend. The area is in a great location with an onsite

“

cafe, nice pub across the road and 10 minutes walk to the beach. The field was nice and flat and well kept. Alison is a great host and very helpful. Only one shower seemed to be working but it was clean, hot and powerful. I would highly recommend this campsite to others.

Disliked: The service was very slow in the cafe but great coffee and great croissants so it was worth

the wait.

Alison. She goes above and beyond. She personally escorts you to your choice of pitches showing all the amenities as you go. She gives you a map with all the info you need complete with handwritten notes, so thoughtful. The field is flat and very close to the beach. The toilets were kept clean and well stocked with loo roll. Oh and the farm shop/cafe!!! Loads of lovely produce with a butcher who takes real pride in his products. So much choice and lots of marinated meats. I could not fault it. Plus a great bakery on site. And a nice little pub wabbling distance from camp, we had dinner there one night and it was pretty good. My Kids said: Lots of open spaces to run about. They loved the cornfields and the farm shop. They also loved that it was not packed out with campers. Thanks again for a wonderful stay
