Dear Mrs Gardner,

Our provision for dogs is as follows:

Dogs allowed

Dogs must be kept on leads and supervised at all times.

Guide dogs are allowed on site free of charge.

The site does not accept breeds/crossbreeds listed in the Dangerous Dogs Act.

Dogs can be walked around the site whilst on their leads as there is plenty of space to do this.

Dogs can be walked to Climping beach which is one of the few local beaches that allows them to run freely.

The site has superb access to the local footpath network, the area is already popular with dog walkers and is well serviced with 4 ADC bins for dog waste. The bins are located: 1 by the Village Hall, 1 by St Mary's School at the entrance to Bread Lane, 1 at the sea end of Bread Lane and 1 at the sea end of Climping Street.

The local pubs and Farm Shop Café welcome dogs and provide facilities for them, water bowls in the pubs and water bowls and baskets in the Cafe; allowing dogs will benefit the local economy.

Bagged Dog foul waste is allowed to be put into the General waste bins that are supplied by Biffa. These bins are emptied weekly.

Parking

Campers are allowed 1 car per pitch on 43 of the pitches.

There are 17 smaller pitches towards the site frontage, the cars for these pitches will be parked in the car parking area.

Any 2nd car must be parked in the area along the site frontage. We manage this aspect of the site as well and any 2nd car must be agreed with us at the time of booking. We reserve the right to only allow 1 car per pitch in the event that all pitches will be full. Therefore there should never be more than 60 vehicles on site at any one time.

Kind regards,
Alison Baird

Dear Ms Baird,

Please can you advise what provision would be made for dogs at the site? Where are they to be exercised? Are there any dog bins? Would they need to be on a lead at all times?

Can you also advise whether there is a parking strategy. You indicate parking along the site frontage. Is this for campers once their tents are erected. The photos you have submitted of the site in operation does show vehicles parked next to tents.

I would appreciate your reply by next Tuesday at the latest

Regards
