Dear Ms Wood,

I am unsure about whether the determination date would be affected, as when the details come in, the Council's Drainage Engineers will need to have time to comment.

Please do not hesitate to contact me with any further inquiries.

Kind regards,

Zac

Dear Mr Denton,

Please could I ask you to provide feedback on the above application?

The percolation testing is currently being under taken and will continue to be carried out until the end of the month. Could you please advise if this will affect the determination deadline of 17th April?

I look forward to hearing from you at your earliest convenience.

I Have also left a voicemail to this effect.
