Good afternoon Judith

With reference to your email below, I have checked the plans and there are a few discrepancies:

- Dwg No 112/168/10 Rev a submitted at A0, should be A2 or A4
- Dwg No 112/168/5 Rev c scale bar is 10m @ 1:50 but measures 9.10m
- Dwg No 112/168/6 Rev d scale bar is 10m @1:50 but measures 9.10m

Please check the paper sizes and/or scales, and re submit accordingly.

I will hold the application until Friday 18th March.

Kind Regards

Nicky

Thank you for your letter regarding the three plans that were not to scale in our submission (112/168/10A; 112/168/6D (not 16) and 112/168/5C). Michael Wilson is out of the office until the 8th March. I have attached the plans again for your information, however if they are still incorrect, could you allow us until the 10th March in order that Mr Wilson can scale them and scan them over to you on his return.

I trust this is making sense and look forward to hearing from you.

Regards
