Dear Jonny,

I will see what I can do today but if not then early next week.

However, please note that as stated condition 7 cannot be discharged until our Tree Officer has inspected the Tree Protection measures. Also, I have not had a reply from Southern Water in response to your comments on foul drainagere condition 6 (I forwarded your email 28/02). Finally, there is an objection from Engineers re conditions 3-5 (as emailed to you 20/02).

I can either discharge the other conditions and deal with 3-5, 6 & 7 separately or wait and deal with all in one go?

Kind Regards

Hi Simon,

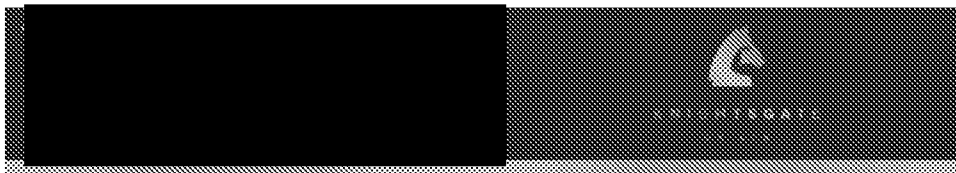

Are we still likely to receive the decision notice on the conditions tomorrow for Elm Grove, Barnham?

We are looking to get approval and then get our site guys in to get the protective fencing up for the tree inspector to inspect for discharge of condition 7.

Kind Regards,
