Jonny,

03 is Surface Water Drainage
04 is Discharge/culverting of watercourses
05 is Watercourses on site and riparian responsibilities

Please see attached drainage consultation response.

To date despite your email of 5th April below, I have not received any additional information.

You can ignore condition 06. That is for me to chase Southern Water.

Kind Regards

Hi Simon,

May you outline the outstanding conditions and I can let you know. I am currently away for two weeks so I will have to forward your email on to a colleague to check all.

Many thanks

Jonny
