Charlotte,

To confirm our conversation:

I applied for a non material amendment for the inclusion of two Velux windows.

The approved roof plan was revised to indicate both Velux windows and the approved rear elevation was revised to indicate one of the Velux windows.

The second Velux window does not appear on any of the approved elevations as it is on the valley side of the extension (hidden from view). Therefore it has not been shown.

I trust this is satisfactory?

Kind Regards
Adam Cooper

Dear Mr Cooper,

Regarding the conversation we had on Friday relating to the Non material amendment application you have submitted, I have spoken to Mrs Chapman regarding you showing both velux windows on the elevation plans and after you explained I can see this would be problematic. Therefore could you please just confirm in writing that this is the case and that you are unable to draw the second velux on the elevation and explain why. A response to this email would be acceptable.

If you have any queries then please do not hesitate to contact me.

Kind Regards

Charlotte Burrows
