Dear Siobhan,

I attach revised existing and proposed elevations – the window you refer to on the floor plan was shown in error.

Regarding the validation checklist – I have had another look at the one I submitted and can find no box 'unticked' – please advise as soon as possible as to what the problem is.

Kind regards,

Chris Moore

Dear Siobhan,

I hold my hands up for missing a window on the plan but I can assure you that the validation checklist WAS submitted, together with the cheque – which you have seemed to have received ok.

Details attached.
