Hi Charlotte,

I'm happy for you to go ahead and remove the felling of T2 from the application.

Regards,

Dear Mr Smith,

I write to you regarding EG/18/19/T – 41 Downview Road.

The Tree Officer has provided his comments relating to your application, at present we would be set to refuse your application. However, the Tree Officer has provided some advisory comments, they are as follows:

- I would like to see the applicant submit a revised specification seeking lesser work, by removing the proposal to fell T2.
- If the applicant is prepared to re-submit in line with this advice, then I would be able to recommend APPROVAL for this application

If you would like the application description to be revised in accordance with these comments then please confirm so in writing and the application will then be recommended for approval.

I look forward to hearing from you.

Many Thanks

Charlotte Easton

Planning Officer.
