Dear Sir,

re: Proposed New Double Garage - 25 Elm Grove, Barnham, PO22 0HJ

I attach herewith three copies of drawing nos. 4412/1-3 inclusive showing details of the proposed garage at the above together with necessary application forms and client's submission cheque.

It is my understanding that providing the garage is under 30²M and less than 4M in height it comes within permitted development, in which case planning is not required. However, perhaps you could confirm this to be the case in due course.

Yours faithfully,

K.E. HILTON
