Hi Nicky

The clearance for the crown lift is only for over the Road on the lowest most westerly limb. Crown lift clearance will be 3 Meters to the lowest branch and only involve removal of branches no more than 50mm in diameter.

Many thanks

John

Good Afternoon

Thank you for confirming this.

I have spoken to our Tree Officer, and he has asked if you could also confirm the Crown lift clearance in metres to the lowest branch.

Kind Regards

Nicky Moore

Dear Neil

I can confirm that Application EG/20/19/T does not involve a crown reduction. We do not want to reduce the crown.

Kind regards

John
