Dear Sir/Madam,

Re: Land at Eastergate. Application for Prior Notification of Proposed Agricultural Building.

Please find enclosed the following:

Cheque in the sum of £80.00., being your fee.

Application Form (original plus 3 copies) completed, signed and dated.

Plan to to scale 1:2500 showing the proposed location of the shed with direction of north indicated (original plus 3 copies).

Please note that I have a much larger tractor/implement shed near to Barnham Road. This sits on land which now has outline planning for houses (Linden Homes). And therefore will not be available for housing our tractor in the future. In effect we wish to relocate the shed and 'down size' it. The proposed new position is chosen for security reasons as well as operational reasons.

I wonder if you could let me know if planning permission is required to do this.

Yours faithfully,
